

ADDITIONAL RECYCLING OPPORTUNITIES

Large metal items such as appliances, (stoves, refrigerators, washers, dryers, air conditioners, freezers), can be recycled at the Maplewood landfill by placing them on the concrete apron between the recycling bin and the waste bins at the public access area. Items containing freon (refrigerators, freezers & air conditioners) must have the freon removed by a licensed technician before bringing to the landfill.

Used motor oil, computers, electronics & automotive batteries can also be recycled at the landfill. Check with the main office or call 561-3004.

Tires are accepted at the Maplewood landfill for a fee: passenger tires = \$2.00/tire; tractor-trailer/oversized tires = \$5.00/tire; large agricultural (tractor) tires = \$25.00/tire. Call 561-3004 for an appointment.

Several area automotive businesses also accept used motor oil and automotive batteries for recycling. Call to inquire.

Recycle used computer printer cartridges, cell phones & rechargeable batteries at the County Administrator's office.

HOUSEHOLD HAZARDOUS WASTE COLLECTION

We operate a permanent HHW collection program at the Maplewood landfill for safe disposal of Amelia County residents' household chemicals. Items accepted include drain cleaners, oven cleaners, spot cleaners, tile cleaners, metal polish, solvents, turpentine, paint thinner, furniture strippers, pesticides, insecticides, pool chemicals, oil based paints & stains, etc. Unacceptable items include smoke detectors, explosives, asbestos, radioactive materials, or infectious wastes. (Note: Latex paint is not hazardous and can be disposed of with your regular trash.)

For more information, call the Amelia County Department of Environmental Management at 561-3004 or 561-3039.

AMELIA COUNTY RECYCLES

JOIN US AS WE

**BECAUSE AMELIA COUNTY IS
TOO GOOD TO WASTE!**

The following materials can be recycled at any of the six trash collection/recycling centers in Amelia County: The Maplewood landfill at 20221 Maplewood Road - public access area open 24 hours/day, 7 days/week.

Remaining sites closed on Sundays & Wednesdays, open 7 to 7 Mondays & Saturdays, 3 to 7 Tuesdays & Thursdays, 11 to 7 Fridays: Pleasant Grove @ 14415 Dykeland Rd; Deatonville @ 7761 S. Genito Rd; Mannboro @ 6701 Namozine Rd; Ponton's Store @ 5141 Ponton's Circle; The old County landfill @ 10200 Epps Lane.

IMPORTANT NOTE

Amelia County now operates a single-stream recycling program. This means that you may collect all of your recyclable materials together and place them in any of the compartments of the Waste Management recycling bins. No sorting required!

ALUMINUM & METAL CANS

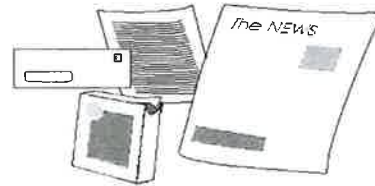

All metal beverage & food containers. Rinse & recycle.

PLASTIC CONTAINERS

Plastic bottles, tubs, containers & clear clamshells with a #1-#7 on bottom, & cartons such as milk & juice. No plastic bags, buckets, toys, motor oil bottles, or Styrofoam.

NEWSPAPER & MIXED PAPER

Recycle all daily, weekly & Sunday newspapers & any inserts; junk mail, magazines, catalogs, telephone books, cereal boxes, & cardboard boxes. No waxed paper, tissues, paper towels, plates, or cups or photographs. Break down boxes to conserve space. Paper bags are ok - no plastic bags, please!

Several Amelia churches & non-profit groups also operate Newspaper only recycling bins.

GLASS BOTTLES & JARS

All glass food & beverage containers. No mirrors, light bulbs, ceramic mugs or plates, automobile glass, drinking glasses, pottery, baking dishes or plexi-glass. Remove lids & rinse.

CLOTHES & SHOES

Clothes, shoes and any textiles such as towels, blankets & curtains can be recycled in the white recycling bins marked "CLOTHES & SHOES".

PLASTIC BAGS

Plastic bags can be recycled in special blue bins located at the Maplewood landfill, the Pleasant Grove, Epps Lane, Ponton's Store and Mannboro sites or at Food Lion.

PROHIBITED ITEMS

No Styrofoam, food scraps, candy wrappers, straws, motor oil bottles, food contaminated materials, plastic cutlery, mugs, hardback books, plastic toys, light bulbs, 5 gallon buckets, chip bags, plastic binders.
